

### Alumni Gleanings.

The Bethel Temple Bible School was started in the fall of 1933 to give the young people an opportunity to study the Word of God, that they might be better equipped to spread the Gospel of Christ. A goodly number were in attendance, and while some dropped out for various reasons, there were thirty-two who received diplomas at the first graduation in 1936.

Of this class we find many out in full time gospel work.

Ray and Beryl Busby are now in active Missionary work in The N. E. I.

Hope and Manfred Ashen are pastors of an Assembly in Sioux City Iowa. They are awaiting the time when the door into Japan shall open for them.

Frank and Dorcas Yeadon are working in the Summer Assembly. Bro. Yeadon is one of the Bethel Temple Bible School teachers and has also during the past year taught in the day Bible School at Mirror Lake.

James and Mildred Apple are pastoring the Lake Buizen Assembly.

In '37, eleven received diplomas. From this class we find Sis. Dorley always busy in the work of the Lord. She teaches in the Bible School and has many duties in the work of the church.

Lors Hines is pastor of the Assembly in Issaquah.

C. E. and Bessie Still have a Mission at Sultan, Wash.

Eight received their diplomas in '38, and two of these, Claire and Margaret Sofer are waiting in Kalgan, N. China until the door into Mongolia shall again open for them.

The class of '39 contained nine members. Of these, Lucile Cox is out in evangelistic work and Floyd Brown, who is a returned missionary from the N. E. I., has been helping in services at home until such time as he permitted to go back to the Islands of the Sea.

Many of the Alumni are teaching Sunday School classes, helping in Young People's Work, and putting to good use the Word that has been given out to them by Pastor Affler and an able corps of teachers. One of these worthy mentions is Ruth Kyllonen of '36. She has built up a splendid Young People's Work on the Camp Ground at Mirror Lake.

In passing we might mention that several who have been in the Bible School from time to time are now in the Mission field.

J. C. and Rheta Holden are in Colombia, S. A.; Al and Hazel Edmondson in West Java; and Bro. and Sis. Noel in British India.

In a retrospect of the different classes, we noted that the motto of each class was very

significant.

The class of '36 chose "Reapers"; '37, "Others"; '38, "Laborers"; and '39, "Conquerors." These together with the motto of the class of 1940, "Ambassadors", all center in the last command Jesus gave to his disciples. In Mark 16:15 He said, "Go ye into all the world and preach the gospel to every creature."

May each of this class of 1940 as they become a part of the Alumni of Bethel Temple Bible School, be true to their motto and stand ready to answer, "yes" to the call of the Master, whether it be near at hand or unto the uttermost parts of the earth.
